Spring and summer say hello, for example
The $25^{\text {th }}$ of December
The one with the coloured nose
Is here for a gift
Initially made a good impression
One of Santa's little helpers
Are they her Christmas songs?
Aromatic gum resin from a wise man
Spiny leafed decorative shrub
Church Service at 8 bells
Second Reindeer alphabetically
The three mine sew about
Edmonds or Coward
Evergreen climbing plant
Fortified wine to trifle with
Eight of them were 'a milking'
Inflammable wax pillars
