

Retreads Reunion

The 'Retreads' (from 1971) decided they would hold a mini reunion of their own.

They chose Grantham not far from the Chair and TSB.

They all met up one weekend in June and this is a photographic record of that weekend.

Friday night they met at the 'Farrier.'

On the Saturday night they all agreed to go for a meal, with Arthur offering to provide the transport.

HE TURNED UP IN A
ROUTEMASTER BUS
MUCH TO THEIR DELIGHT!

All aboard!

They
were

to
a
local
hostelry.

The conversation carried on...

...the years continued to fall away!

It was time for the meal.

While the catching up continued.

A good time was had by all...

...as the 'documentary evidence' shows!

THE HAPPY GROUP.

A FEW EXTRAS

Could they be queuing for a bus?

*This is what
Cloud Observers
do best.*

*Small or large gatherings of
ex-colleagues meeting up
and sharing memories!*

Grateful thanks to the **RETREADS** for sharing their photos with us.
